

River Run December minutes

Show bills are completed and will be posted by the weekend

Over half the nightly awards are either in possession or on order

Buckles will be ordered by March and patterns will be posted in May

We have the opportunity to win 20 buckles by competing in a contest - we need 5 pictures of our events to post to Molly's Custom Silver Facebook page - we as a committee need these pictures by the end of next week in order to choose as a committee which ones we will submit. If your picture is chosen for the contest you will receive a free stall at one of the RR shows.
